

Appendix 3.2 Data agreement

Chiapas, April 29th 2017

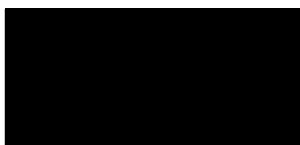

Ms Georgina Miguel Esponda
London School of Hygiene and Tropical Medicine

Dear Georgina,

I hereby authorise the use of the data of patients registered in the mental health programme stored in the health information systems of *Compañeros En Salud* for the completion of the study “Assessment of the implementation determinants and their influence on outcomes of a programme for common mental disorders in primary health clinics in Chiapas, Mexico”.

The health information systems include individual patient files stored in the software Access and the Census database stored in the software Excel. All data must remain confidential and should be used exclusively for the aforementioned research study.

Sincerely,

Hugo E. Flores Navarro M.D.
